GANGS IN BRITISH COLUMBIA

Time: 9:00AM – 12:00PM

Speaker: Keiron McConnell, DProf-ABD

Price: \$75 per person (+GST)

In this dynamic presentation, Keiron McConnell will provide an overview of the history of the traditional gangs in BC dating back to the early 1900s to the current non-traditional gangs. Drawing from profiles of traditional gangs through North America and around the world, Keiron will highlight how gangs found in BC are comparably different.

THREAT RISK ASSESSMENTS

Time: 8:30AM – 4:30PM

Speakers: Phillip Banks, P.Eng., CPP

Price: \$95 per person (+GST)

Completing threat and risk assessments is a daily occurrence for many entities, and is a critical element of risk management and security governance. This one-day seminar will address the concepts of threat, risk and vulnerability as well as how they work together across several formats. It will identify effective assessment methodologies that support the assessor's objectives, observations and findings. As well it will facilitate the development of practical and effective recommendations for security enhancements.
