

## 2016 CPP Study Group

The Calgary/Southern Alberta Chapter CPP study team has created the 2016 CPP study schedule running for 12 weeks. This will be the 11<sup>th</sup> year the chapter is providing this program. Class runs Wednesday evenings from 5 to 8 pm January 13 to March 30.

Tuition cost is \$500.00 and students will receive the CPP Participant Manual as well as all standards and guidelines for the exam. Students should also be prepared to purchase the Protection of Assets Manuals from ASIS International as these manuals are the Body of Knowledge (BoK) for the exam. The instructor this year will be Glen Kitteringham CPP.

Instruction will focus on material from the aforementioned books and the Protection of Assets Manuals. The sessions will be held at Fifth Avenue Place at 237-4<sup>th</sup> Ave S.W. Class will be held in the conference facility on the second floor in the West Tower.

As we recognize that many wishing to study for their CPP are busy security professionals, attendance is not mandatory for every class.

We require a minimum of 10 students to proceed. Registration and payment will be accepted in advance. You can contact Glen Kitteringham at 403-909-8949 or [glen@kitteringhamsecuritygroupinc.com](mailto:glen@kitteringhamsecuritygroupinc.com) for more details.
